To designate a Beneficiary for Death Benefits payable pursuant to the Plan upon the Member's death, the Member must sign this form and designate at least one primary Beneficiary. This Beneficiary designation cancels all prior designations. Designations are not valid unless duly signed, dated and returned to the Plan Administrator during the Member's lifetime. If designating a trust or trustee, the Member should reference the written trust document and date.												
Only surviving Beneficiaries at the time of death will be eligible to receive all or any specified portion of the Death Benefit. The Death Benefits are payable to the most recent Beneficiary designated by the member to the Administrators or to his or her estate if the Beneficiary predeceases the Member or dies within three (3) days after the Member's death. If there is no named Beneficiary, or no Beneficiary survives as of the date of death, the Death Benefit will be payable to the Member's surviving spouse or civil union partner; or if there is no surviving spouse or civil union partner, it will be payable to the Member's estate.												
The Member may have more than one primary Beneficiary. If so, the Member should designate the percentage of proceeds payable to each primary Beneficiary. If more than one primary Beneficiary is designated, unless their shares are specified, settlement will be made in equal shares to the designated Beneficiaries (or Beneficiary) living at the date of the Member's death.  A contingent Beneficiary receives the Death Benefit if (and only if) all primary Beneficiaries die before the date of the Member's death.												
If a minor (a person not of legal age) is a Beneficiary, it may be necessary to have a guardian of the estate of the minor, or a conservator for the minor appointed before any Death Benefit can be paid. (This												
can result in legal expenses for the Beneficiary and a delay in the payment of the Death Benefit.)  If a Beneficiary disclaims all or any portion of a Death Benefit by delivering a written disclaimer to the Plan Administrator prior to the distribution of the Death Benefit, the interest disclaimed will pass as it that Beneficiary had pre-deceased the Member.
